Description :

PDF-65529 | The America that Alexander Hamilton knew was largely agricultural and built on slave labor. He envisioned something else: a multi-racial, urbanized, capitalistic America with a strong central government. He believed that such an America would be a land of opportunity for the poor and the newcomers. But Hamilton's vision put him at odds with his archrivals who envisioned a pastoral America of sma... *Alexander Hamilton: The Making of America #1*
