Description :

PDF-eef93 | A clever and refreshing approach to learning about shapes, with a bit of silliness mixed in. This unexpected take on shapes offers a breath of fresh air within this well-established toddler concept genre. With bright block-art visuals and a rhythmic, read-aloud text, this book begins by offering familiar shapes - a triangle, a circle, and a square - and then throws an elephant into the equation: tri... *Circle, Triangle, Elephant: A Book of Shapes and Surprises*
