Description :

PDF-833ae | From battling toothaches while fighting the British, to having rotten teeth removed by his dentists, the Father of His Country suffered all his life with tooth problems. Yet, contrary to popular belief, he never had a set of wooden teeth. Starting at the age of twenty-four, George Washington lost on average a tooth a year, and by the time he was elected president, he had only two left! In this rev... *George Washington's Teeth*
