Description :

PDF-04e1c | Where is the earth? Where is the sun? Where are the stars? Now in a Dragonfly edition, here is an out-of-this world introduction to the universe for children. With earth as a starting point, a young astronaut leads readers on a tour past each planet and on to the stars, answering simple questions about our solar system. In clear language, drawings, and diagrams, space unfolds before a child... *Me and My Place in Space (Dragonfly Books)*
