Description :

PDF-60a24 | It's the ultimate introduction to the world of archery, in a book that turns into an actual bow that shoots paper arrows. All you have to do is unlock and open the upper and lower bow limbs, punch out and fold the arrows, and shoot! But the book is also a rich and lively illustrated history of archery, covering the physics of a bow and arrow; the types of bows used since 4500 BC; arrows from aro... *The Most Dangerous Book: An Illustrated Introduction to Archery*
