by Melissa Stewart : **National Geographic Readers: Ants**

ISBN : #1426306083 | Date : 2010

Description :

PDF-af97a | Ants are everywhere. They creep, they crawl, they climb, and they fall. But they get up and they keep on working. Ants come in all different shapes, different sizes, and different colors. And they do a lot of different jobs. These hard-working little creatures thrive wherever they go, making whatever adaptations necessary in their ever-changing world. National Geographic supports K-12 educators wit... *National Geographic Readers: Ants*
