Description :

PDF-34462 | I walked on the moon. This is my journey. But it didn't begin when I stepped on board Apollo 11 on July 1, 1969. It began the day I was born. Becoming an astronaut took more than education, discipline, and physical strength. It took years of determination and believing that any goal is possible—from riding a bike alone across the George Washington Bridge at age ten to making a footprint on the Mo... *Reaching for the Moon*
